

## E-News January 8, 2021

Hi Everyone!

What a week as we begin 2021! I trust you have been upset with all that has gone on in our nation's capital. Violence is never the solution. I invite you to take time today to pray for our nation and leaders. Pray as well for peace in the land and for treating others well. Be a good neighbor in spite of our differences. I saw this post from Toby Mac this week and I couldn't agree more with his thoughts.

Let's agree to pray for our nation today

[2 Chronicles 7:14](#) - if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.

[1 Timothy 2:1-2](#) - I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people— for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness

We hope to see you Sunday at MCC. Justin will be filling in for me and will be teaching on the value of trust when you can't see what the future holds. Be sure to congratulate Justin on finishing his undergraduate degree from Liberty. He will begin his Seminary studies in 2021. We are blessed to have Justin on our team. So please attend, or watch online and encourage Justin in his ministry.
